

MUSHROOM

COLLECTION
FORM

NAME: _____

E-MAIL: _____

SPORE PRINT

IMPORTANT

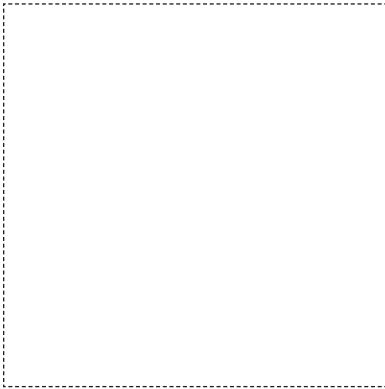

Take pictures of the mushrooms in the ground **BEFORE** you dig them up and pictures of the gills or pores once they are out of the ground.

DATE: _____

TIME: _____

LOCATION

Where did you find the mushroom? Include: street and closest cross street, GPS coordinates, address, name of park. etc. The more specific the better.

Spore color: _____

HABITAT

Lawn? Soil? Wood chips/mulch? Dung? Leaves/needles? On a tree (dead or alive tree? What kind?) Down wood or stump? Forest or woodland?

What is the nearest tree species as well as the predominant tree species in area?

Were other mushrooms growing nearby? Were they the same kind?

Does the mushroom have a specific odor?

Is the cap slimy or dry?

NOTES ON THE FIND

How did you find this mushroom? What were you thinking when you found this mushroom? How does looking at this mushroom or touching it make you feel, etc.?

THANK YOU!
